GERMAN EFFORTS TO REGAIN TRENCHES FAIL

Paris, Oct. 15.—German troops
last night launched several counter
attacks against the positions which
the French had occupied during the
day south of the River Somme, says
the French official statement issued
this afternoon. All the German at-
tacks were repulsed by the French
infantry, the statement adds, and
all the gains were consolidated.

The statement reads:

"Last evening south of the River
Somme, the enemy attempted sev-
eral counter attacks against the po-
sitions which we had taken posses-
sion of in the course of the day.
The fire of our artillery dispersed
some before they could reach our
lines. All the others were broken
up by our infantry which has main-
tained and consolidated all our
gains.

"The night was relatively calm on
the rest of the front."

We Want a Business Man

A business man who has selling ability. The man
we want may be in the automobile business now; he
may be in some other business; he may be a farmer;
he may be retired.

Whoever he is or whatever may be his occupation,
we want him if he can fulfill the conditions of our
proposal.

We are in search of a real, live, wide-awake man,
who has had business training, who has some capi-
tal, who can sell Maxwell Motor Cars.

We are represented in almost 3,000 of the leading
cities and towns of the United States, and our deal-
ers are prosperous and happy.

They should be, and will continue to be, for the
Maxwell Car is the unquestioned leader of its class.

It is a car for which there is a nation-wide and
growing demand—because it represents more real
value, dollar for dollar, than any other car in the
world.

We have no dealer in this locality. We want one
immediately. Our representative will call and ex-
plain the details of a very attractive proposition.

Anyone interested should inquire at once.
